

## Connect and collaborate to help people living with ADRD.

Register now to join us for [AAIC® Advancements: Toward Health Equity in Alzheimer's disease and related dementias \(ADRD\)](#), a no-cost meeting taking place October 30-31, 2023 in San Antonio, Texas and online.

This conference seeks to advance health equity in Alzheimer's research by driving collaboration in the dementia science field among early career researchers and experienced investigators. Register today to attend this important program planned and hosted in partnership with the National Institute on Aging (NIA).

**Register now at no cost.**

### Contribute your findings.

Submit your abstract today to have the opportunity to give a poster or oral presentation on research themes in the [NIA Health Disparities Research Framework](#) including:

- Behavioral Factors
- Environmental Factors
- Biological Factors

- Sociocultural Factors

Abstracts are due by 11:59 p.m. ET on **August 1, 2023**.

## Submit your abstract now.

Need more time? Members of the **[Alzheimer's Association International Society to Advance Alzheimer's Research and Treatment \(ISTAART\)](#)** receive an exclusive abstract submission extension through **August 4**.

Not yet a member? **[Join ISTAART](#)** — a global network now **10,000 scientists, clinicians and dementia professionals strong**.
