## Highlight your work at SENDCon.

Submit your abstract today for the chance to share your work with fellow scientists at the [Southeastern Neurodegenerative Disease Conference \(SENDCon\)](#). Held October 10-12, 2023 in Atlanta, Georgia and online, SENDCon unites scientists from every career stage to present discoveries related to Alzheimer's disease, Parkinson's, and other neurodegenerative disorders. Don't miss this unique opportunity to highlight your research to other investigators in your field.

Abstracts are due **August 1, 2023**, 11:59 p.m. ET.

**Submit your abstract now.**

Want an extension?

As an exclusive member benefit, scientists who belong to the [Alzheimer's Association International Society to Advance Alzheimer's Research and Treatment \(ISTAART\)](#), may submit abstracts through August 4.

**Join ISTAART, a global network more than 10,000 scientists, clinicians and dementia professionals strong.**

**Don't miss SENDCon.**

Join us to connect and collaborate with scientists who study neurodegenerative disorders in the Southeastern United States and beyond.

**Register today.**

*\*SENDCon focuses on the work of scientists in Alabama, Florida, Georgia, Kentucky, North Carolina, South Carolina, Tennessee, Virginia and Puerto Rico, but neuroscience researchers from outside the region are also invited to attend.*
